

Your participation in ACT[®] Work Ready Communities (ACT[®]WRC) benefits not just your company, but all of Iberia Parish. ACT WRC is helping job seekers in our area understand what skills employers like you are looking for and it also helps local educators prepare students for success. If your business recognizes the ACT[®] WorkKeys[®] National Career Readiness Certificate[®] in Iberia Parish's effort to become a certifies Work Ready Community please indicate your support by completing the information below or you can sign up directly on the website <https://www.workreadycommunities.org/business/form>.

Employer Name _____

Name (First, Last) _____

Title _____ #of Employees _____

Email Address _____

Phone Number _____

Industry Cluster _____

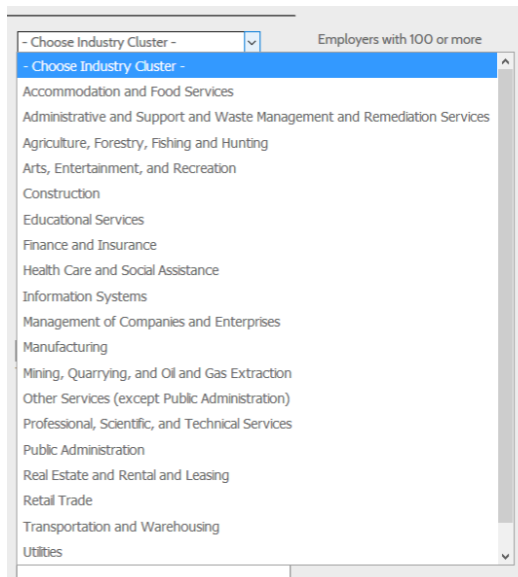

Your contact information — name, title, email address and phone — will only be used for verification purposes. It will not appear on our web site.

The employer name and website will appear on the state and/or county pages of the Work Ready Communities web site.

As a supporting employer you may receive email messages helping you better understand and leverage your support of your county's engagement in ACT Work Ready Communities.

Employers with 100 or more employees may support all neighboring counties within 25 miles of their location. The employer name will be listed as a supporting employer for each county selected and will help each selected county achieve its employer supporting goals.

If your business is in more than one state, please submit the form again.
