

# OUTSTANDING CIVIC SERVICE AWARD NOMINATION MEMO

Every year the Greater Iberia Chamber of Commerce presents an “Outstanding Civic Service” Award to a member of our community who has shown exemplary service by volunteering their time and energy to Iberia Parish. This year’s award recipient will be recognized at the Greater Iberia Chamber of Commerce’s Annual Banquet on April 18th.

We know there are many local residents who generously contribute their time to local civic projects, to our schools, to various charities and churches. The “Civic Service Award” is our way to honor and thank these very special people for their commitment to our community and to inspire others to make volunteering a part of their lives. As we all know, volunteers have an enormous impact on the development and well-being of our community.

Nominations are being accepted from civic clubs, non-profits, schools and churches. We would appreciate your organization’s consideration in making a nomination for this prestigious award. The deadline for nominations is **February 16, 2024**.

Please feel free to call the Greater Iberia Chamber of Commerce’s office at 337-364-1836 or email Kelly Roark at [kelly@iberiachamber.org](mailto:kelly@iberiachamber.org) for assistance or questions you may have about the award or nomination.

Thank you for your consideration. We look forward to receiving a nomination from your organization and seeing you at our banquet.
