Merchants.

The Greater Iberia Chamber of Commerce is very disappointed that we can not offer, safely, our favorite event of the year, The Very Berry Christmas Quest; however, we will use the event platform to provide marketing opportunities to our local businesses. (You do not have to be a chamber member to participate.)

The plan is to repost your holiday event and specials to the Very Berry Christmas Quest Facebook, where we have lots of followers who are looking for opportunities to shop local. We have special activities planned to generate shopper engagement*.

We know participation will be beneficial, its easy and has no fee!
